

**WE NEED

PLEASE
SUBSCRIBE
TO THE
OCEAN
COUNTY
GAZETTE**

Over the past 4 years The Gazette has undergone many changes.

We have expanded our news coverage and hired additional writers to cover our local news. We would like to expand further and need your help. Please subscribe to the only local newspaper left in this area and help us keep going.

Without your support The Gazette cannot expand and give you the local news that is missing in the larger corporately owned newspapers. Don't forget, we are not a coupon book, or a free coupon newspaper thrown on the front lawn. 70% of our newspaper is local news coverage and the only revenue we have is from advertising and subscriptions.

**For \$26 in Ocean County a year
